

# CM LP

Australian Designed and Assembled

## SPECIALISED DESIGN FOR TINY HOME

The All-New CM LP comes packed with all the latest features, smaller size with bigger capacity. Less floor clearance required, perfect for tiny houses and small spaces.

### UNIQUE FEATURES

- A. Detachable Wheels**  
Improved wheels for better mobility
- B. Twin Walled Chamber Construction**  
Minimizes temperature fluctuations

- C. Compost Mixer**  
A world first in its innovative design includes an in built compost mixer, increasing volume and efficiency

### WHY BUY FROM US?

- Designed by engineers and Australian manufactured for our own unique environmental conditions
- Easy to assemble onsite and requires minimal ongoing maintenance
- Higher quality - these units are built to last!
- Australian Innovation Patent No. 2020100970
